FINTECH & RETAIL LEADING EVENT

Technology leaders and C-level executives connect & do business at **FinTech Junction & Retail Fest**

Welcome to a groundbreaking event that marks the intersection of financial and retail technology innovation in Israel. Since 2017, our conference has been at the forefront of uniting industry giants, visionary thought leaders, and emerging talents from both sectors to navigate the transformative landscapes of fintech and retail tech. As a beacon of innovation, this event offers an unparalleled platform for discovering cutting-edge solutions, gaining insights into evolving trends, and forging meaningful connections with decision makers

Step into a realm filled with boundless possibilities, where the latest breakthroughs in fintech and retail technology are unveiled, and the futures of finance and retail are meticulously crafted. Engage in thought-provoking discussions with industry experts, trailblazing innovators, and aspiring minds, igniting collaborations that will redefine the trajectories of both fintech and retail technology.

Partner with us at this unique confluence of FinTech Junction and Lynx Retail Fest to become an instrumental force in shaping the future of both finance and retail. Enhance your brand's visibility and generate valuable leads for your business by becoming a sponsor!
